-----------------	--

Job Title:	Chief Financial Analyst
Number of Positions:	1
Salary:	\$65,000.00 - \$75,000.00
Duration:	Full Time
FLSA Status:	Exempt
Grade:	25

The Arizona Lottery is a sales oriented, government enterprise established through citizen initiative and public vote. Since 1981, its mission has remained constant; generating revenue for education, health and public welfare, economic and business development, and the environment.

Job Description:

The Arizona Lottery is looking for a skilled, experienced Chief Financial Analyst to perform work of considerable difficulty and analysis, combing multiple datasets from various inputs to provide financial analysis, forecasting, and reporting tools. These requirements can range from basic financial reports to advanced reporting and analytical tools to include economic forecasting using various means such as leading and lagging economic indicators, revenue estimates, comparisons, etc. This position will serve all areas within the organization by providing consistent use of financial tools and information.

In this phenomenal role, you will be responsible for:

- Delivering software solutions to the organization;
- Projecting status updates, design documentation, and other technical deliverables;
- Identifying opportunities for use of solutions to improve efficiency and reduce waste;
- Providing functional expertise to developers during the design and construction phases of projects.

Knowledge, Skills, and Abilities:

Successful candidate will possess a Bachelor's Degree or 5 years of experience in business analysis (or equivalent experience). Preference will be given to candidates with Lean or Six-Sigma Certification.

You will bring the following to the position:

- Advanced skills in mathematics and forecasting with database development and analysis;

Arizona Lottery
