

# MANAGING DIRECTOR for GAMING

**DEPARTMENT**

Maryland Lottery and Gaming Control Agency

**WORK LOCATION**

Baltimore, Maryland

**FILING DEADLINE**

July 24, 2017

## Introduction

The Maryland Lottery and Gaming Control Agency is seeking a creative and strategic thinker to provide responsible and effective leadership to the Gaming Division's various departments. The preferred candidate will have a demonstrated track record of collaborative and inclusive leadership in regulatory oversight and will have practical experience in compliance management to include; gaming industry auditing; electronic gaming device evaluation; and responsible gambling program administration. The Managing Director for Gaming will coordinate the efforts of a diverse team comprised of departmental staff, other agency divisions, licensees, vendors, testing laboratories and other industry stakeholders. The Managing Director for Gaming advises the Maryland Lottery and Gaming Control Agency and its seven member Commission to ensure the Gaming Division's programs, goals and objectives are aligned with applicable laws, regulations, code of conduct and maximizes the benefit for the State of Maryland.

## POSITION DUTIES

The Managing Director for Gaming oversees and is responsible for the strategic and operational responsibilities for the following functional areas:

- Gaming regulation development and maintenance
- Casino program management
- Gaming/Internal audit management
- Electronic gaming device testing and certification
- Responsible gambling
- Instant bingo machine program management
- Instant ticket lottery machine program management
- Skills-based amusement device program management
- Analysis of illegal gaming device activity

## MINIMUM QUALIFICATIONS

Education: Possession of a bachelor's degree from an accredited 4-year college or university. MBA preferred.

Experience: Minimum of 5 years of gaming regulatory management experience.

## MANAGING DIRECTOR for GAMING

Candidates for this position will be required to submit to a criminal and financial history investigation. The position requires possession of and ability to retain a current, valid state-issued driver's license appropriate to the assignment.

### Required Knowledge, Skills, and Abilities

The selected candidate will possess a variety of skills including:

- Creative, collaborative and inclusive leadership skills
- Critical and strategic thinker
- Excellent oral and written communication skills
- Compliance/risk management
- Knowledge of gaming laws and regulatory frameworks
- Knowledge of auditing standards
- Knowledge of gaming technology and information technology
- Knowledge of addiction disorders/problem gambling
- Financial reporting analysis
- Project management
- Contract management
- Public speaking
- Staff supervision and leadership skills
- Ability to work within the structure of a state agency
